

2018-2019 Bay Boosters Sponsorship Opportunities

Thank you for your consideration in supporting Bay Boosters and Bay Elementary School! The 501(c)(3) Bay Booster Organization, teachers, administration, and parents appreciate the impact your efforts make on our children's educational and developmental experience. For the 2018-2019 school year your sponsorships, along with our fundraisers and parent involvement, will directly support instructional resources for our classrooms, recess equipment, continued support of our music and art programs, digital mystery science resources for all grade levels, and a resource to help guide our math instruction. Our goal is to enhance the experience at Bay Elementary School this school year while also investing in resources that will travel with us to Dune Lakes Elementary in August 2019!

This year, we are acquiring sponsors for the entire year right at the beginning! This will allow you as a local business or family, to choose the best option for you and allow Bay Boosters to get a jump start on our year and our goals!

Please view all our sponsorship opportunities below and complete the form at the end. Please remember all sponsorships are on a first come, first serve basis! ALL Sponsors will have logo placement on our website! Please contact Bay Boosters President, Sara Reese, with any questions 850-420-0425. Submit all forms and logos to info@bayboosters.com.
